*In order to guarantee the availability of a judicial officer to try your case on the date set in this entry, it is the request of the Court that each counsel speak with his/her client as to the possibility of consenting to a referral to the Magistrate Judge for purposes of trial only. In this fashion, the undersigned will handle all aspects of this litigation subsequent to the discovery cut-off including the trial (if he is available). If the undersigned is otherwise committed in trial on the date set for trial herein, the Magistrate Judge who has managed the case through the discovery cut-off will be able to try this case. Absent a referral to the Magistrate Judge (and it is always the right of the party to so refuse), the undersigned will try this case on the date set, or upon a very short-term trailing docket thereafter, even if it means trying more than one case at a given time. Please notify the Court in writing as to your client's wishes in this regard not later than 20 days from the date of the preliminary pretrial conference.

There will be no continuation of discovery beyond the discovery cut-off date, absent express approval of the Court or the Magistrate Judge obtained upon showing of good cause.

The discovery "cut-off" deadline means that **ALL** discovery must be concluded, as opposed to simply requested, by the discovery "cut-off" date. Purely as a hypothetical example,

request for the production of documents, with a 28-day response time, must be served upon the opposing party in sufficient time to allow said party to respond prior to the discovery "cut-off" date.

Except for good cause shown, no extension of the discovery "cut-off" deadline will be allowed if such extension would impact adversely on the date set for the filing of motions for summary judgment or the trial date set herein.

In order to make certain that progress towards disposition of the captioned cause does not become "gridlocked" by discovery disputes, this Court would offer an invitation to counsel of record, should such a discovery dispute arise, prior to the discovery cut-off deadline, and, further, should the parties have exhausted all extra-judicial means of resolving same, to call the Magistrate's office, in order to advise the Magistrate's Courtroom Deputy of the need for a brief discovery conference. The Magistrate will then convene a brief discovery conference in the hope of resolving the impasse without the necessity of filing motions to compel, motions for protective order, etc.

Pursuant to 28 U.S.C. §636(b), this case is hereby referred to the assigned United States Magistrate Judge from the date of this Order until the discovery cut-off date set herein on any extension granted by the Magistrate Judge or District Judge. At which time Judge Rice will assume management of said case through resolution or trial, unless otherwise ordered. The Magistrate Judge to whom the case is referred is authorized to perform any and all functions authorized for full-time United States Magistrate Judges by statute, including, without limiting the generality of the foregoing, all motions to remand removed cases to state court, all motions to dismiss or for judgment on the pleadings under

Fed. R. Civ. P. 12, and all discovery-related motions. In each such case, the Magistrate Judge shall proceed in accordance with Fed. R. Civ. P. 72.

IT IS SO ORDERED.

WALTER H. RICE
UNITED STATES DISTRICT JUDGE
